

# **ATS CORACLE STAGES at SWEET LAMB**

## **SUNDAY 30<sup>th</sup> June 2002**

Carmarthen and Epynt Motor Clubs would like to take this opportunity to welcome you to the 2002 ATS Coracle Stages Rally.

Following a break in 2001 due to the foot and mouth epidemic, the rally will return to the **Sweet Lamb** complex in Mid-Wales. Thanks to the enthusiastic co-operation of the **Bennett-Evans family**, the rally will be based at the popular Mid-Wales test venue with scrutineering, servicing and the finishing ceremony all situated within the complex.

The intention is to again promote a compact, no frills event, offering approximately 40 loose surface stage miles with a central service area - thereby catering for those without a service crew and who may wish to leave their service vehicle in the service area for the duration of the rally. The format has proved popular with both competitors and spectators in the past and the rally earned the prestigious award of **best event in the 1999 WAMC Clubmans Forestry Rally championship**. Appropriately for this year, the championship will be again be supported by the **Sweet Lamb Rally Complex**.

Regulations and Entry Forms can be downloaded from this Site, however if you wish you can contact the Entry Secretary Miss Teresa Wood on 01982 560453 – Please do not telephone after 21-00

For Marshalling inquiries please contact Mike Griffiths Chief Marshal on [Secretary@carmarthenmotorclub.co.uk](mailto:Secretary@carmarthenmotorclub.co.uk)

Entry list and additional information will be published the week prior to the event.
